FREQUENTLY ASKED QUESTIONS

DO I PAY TAXES TO EVERY TAXING DISTRICT?

No. There are many taxing districts within Spartanburg County. In your district you are taxed for countywide expenses and specific expenses for that district. Residents pay different taxes depending on where they live and what expenses are incurred in that district. For example, you also elect a school board for your district. Schools control the largest portion of your tax bill and you will pay a different tax than someone in a different school district.

ARE THESE ALL COUNTY TAXES?

No. Although you receive your tax bill from the County Auditor and pay your taxes to the County Treasurer, there are various non-county government taxes that are included in your tax bill. Rather than you receiving numerous bills from different taxing entities, and in order to keep mailing costs down, the County sends out and collects taxes for everyone.

HOMESTEAD EXEMPTION

If you became 65 years of age during the prior year and you own your primary residence, you may qualify for Homestead Exemption. For questions regarding eligibility status and application procedures, call your County Auditor at 864-596-2600.
